

Missouri River Medical Center

Missouri River Medical Center is a 45 bed, intermediate care and skilled care nursing home and a 6 unit assisted living complex.

Personal Care

Personal Care at MRMC is a 6 room assisted living facility for those who choose to live semi-independently.

Our Personal Care units are located within our facility so residents have walking access to all of our amenities, however a separate entrance enables them to come and go at their pleasure. A central dining room allows the tenants to enjoy their meals in a social atmosphere.

"Personal Care" includes laundry, activities and caring attendants around the clock to assist with daily tasks.
